

Resort Meets with Representatives of Preserve, Town and Village

Notes from Meeting – February 2, 2012

1. The trench is completed for the installation of the aerators in the Town Park Pond.
2. The re-stripping of the entrance, parking lots have begun. The entrance is completed.
3. Single gate openers have been ordered and will be available for owners at our cost. We will have a trial period to make sure they will operate. We will notify everyone when they are available.
4. The Resort will be changing the signage on the main building soon. "Wilderness" will stay and we will remove "RV Park Estates". We will be adding "Store" and "Restaurant".
5. We have begun cleaning the ponds. The tractor has broken down again and we will have it repaired within the week.
6. Will be trimming the pine trees on NE 102nd at the effluent ponds next week.
7. The Resort is receiving quotes for new signs inside the park, ie stop sign @ NE 102nd and 29th Lane, no thru traffic etc.
8. The Resort is looking into other suppliers for Wi-Fi and Cable. We have contacted Brighthouse, CenturyLink for Wi-Fi and cable, and asked Rapid Systems for a quote to upgrade the Wi-Fi. We should hear something no later than next week or the beginning of the following week. We will try to keep everyone posted in the progress.
9. The Resort has purchased flag poles for the front of the park and they will be installed as soon as the tractor is repaired.
10. The Resort will be cleaning the back storage area Feb 15, 2012. The area will be mowed and sprayed. We will have to ask everyone to remove their unit for the one day. We will send a notice to confirm.
11. The Resort is still searching for pool furniture. We hope to have it purchased soon.
12. Is the Resort looking into lighting up the front entrance? Yes, we are planning to install spotlights and more lighting at the entrance.
